

FIELD DAY ACADEMY

- Newly licensed?
- Limited experience operating HF?
- Want to learn how to set up and operate a field station but not sure where to start?
- Want to ensure you get the most out of SCARC's upcoming ARRL Field Day event?
- Interested in learning about Parks On The Air operating?

Learn the following skills

- Properly site and deploy an HF field station
- Selecting the right field-deployable antennas
- Interfacing your radio with a Windows PC for logging
- Logging your on-air contacts quickly and properly
- Hands-on use of a pneumatic antenna launcher
- Methods for securing tree-supported antennas safely
- Operating an HF voice station in a congested RF environment (assisted by an experienced coach)
- Techniques for installing and properly coiling coaxial cable

May 20, 2021 7:30-9:00pm VIRTUAL preparatory training

May 31, 2021 8:00am-5:00pm LIVE on-air event

Cost/Registration:

There is no cost to participate, however we kindly request advance registration so we can track attendance and ensure we have contact information in the event of any unexpected event changes. Registration can be completed online at <https://kb7vml.net/events/scarc-field-day-academy-2021>

Registration is open ONLY to current, dues paid Story County Amateur Radio Club members at this time. Email Ted MacDonald at tmacd235@gmail.com if you need to get current.
